Comments in response to the question: Any other feedback you would like to provide about this session?

- The team who developed Jane put so much work and effort into it and created a fabulous tool.
- interesting to know but boring way to present info.
- I did not take away much from this presentation - lots of disadvantages discussed. Maybe the technology is too new?
- Interesting Presentation.
- Jane was an interesting avatar, and it was intriguing to see how far we have come and can go with using AI in assessments.
- Really enjoyed the content of this session and seeing how Chat GPT can be used in such an interesting way for role play assessments.
- Valuable insights on use of GPTs.
