Comments in response to the question: Any other feedback you
would like to provide about this session?

- Maria is an engaging presenter. Good overview on self-assurance.
- says the words think about far too much in presenting which leads to boredom.
- Very positive and helpful session, thank you.
- Very informative- thanks.
- Thank you for such a great practical presentation. This was a very relevant and relatable session.
- The best session so far, so informative, knowledgeable and strategies thank you for making Quality assurance simple and appear achievable.
- Great resources, ideas. Gave ideas to think about and links to key points from other sessions and where fits into new standards.
- Encouraged thought and action of attendees and was able to speak from her knowledge and heart rather than just from notes or slides.
- A good session on how to put the system to work for self-assurance.
- Maria gave some great practical advice during her session. Lots of ideas to take back in implement.
- Similar information to other sessions. Nothing new come from this session
- Maria's session included some terrific templates as takeaways which was much appreciated.
- it was clear Maria was well prepared and intended to offer tangible assistance to stakeholders on a very important area.
