Comments in response to the question: Any other feedback you would like to provide about this session?

- Excellent presentation, well done and thank you.
- Excellent new look at neurodiversity.
- Will shared a great deal of knowledge and useful suggestions to improve neuro inclusion.
- Hands-down the BEST session of the entire Conference. As a Neuro-spicy Trainer who takes a special interest in ND students in a conscious effort to be the change in the world, I wish was available when I was learning. He was relaxed, relatable, knowledgeable, and passionate. Really looking forward to using their learning resources.
- Will definitely take back to school all this info.
- Great session.
