

# Validation Requirements at a Glance

This information is based on the requirements outlined in the [Standards for Registered Training Organisations \(RTOs\) 2015](#) Standard 1. See bottom of page for more details.

|             |                                                                                                                                                                                                                                                                         |
|-------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>WHY</b>  | As set out in Standard 1 - Clauses 1.9 -1.11 and 1.25                                                                                                                                                                                                                   |
| <b>WHEN</b> | At least once every 5 years for each training product on scope. Within the first three years of each 5-year cycle – 50% or more training products to be validated                                                                                                       |
| <b>HOW</b>  | Systematic validation of an RTO's assessment practices and judgements may be undertaken by persons involved in the delivery and assessment of the training package being validated provided they are not solely responsible for determining the outcomes of validation. |

| Role                                                                                         | Vocational Competence                                                             | Current Industry Skills                                                           | VET Knowledge & Skills                                                            | Validation Credentials Required                                                                                                                                              |
|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| To validate <b>Vocational Training Products (not including TAE)</b> an individual must hold: |                                                                                   |                                                                                   |                                                                                   |                                                                                                                                                                              |
| Validator/s (collectively)                                                                   |  |  |  | TAE40116/TAE40122 <b>or</b><br>TAE40110 <b>PLUS</b> Assessment UoC° <b>PLUS</b> LLN UoC° <b>or</b><br>TAESS00011/TAESS00019 <b>or</b> TAESS00001 <b>PLUS</b> Assessment UoC° |

|                                                                                                                                                                                           |                                                                                    |                                                                                    |  |                                                                                                                                                            |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|--|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| To validate <b>TAE Training and Education Training Products</b> an independent validator must hold:                                                                                       |                                                                                    |                                                                                    |  |                                                                                                                                                            |
| TAE Independent Validator<br>(must not have been employed or subcontracted to provide training and assessment for the RTO, or have interests or involvement in the operations of the RTO) |  |  |  | Training and assessment qualification° <b>or</b><br>Assessor Skill Set° <b>or</b> Teacher Enhancement Skill Set° at least to the TAE level being validated |

## Key

\*Or its successor °Refer to key on reverse for details

### Training and Assessment Qualifications:

- TAE40110/TAE40116/ TAE40122 Certificate IV in Training & Assessment; **or**
- TAE50111/TAE50116/ TAE50122 Diploma in Vocational Education and Training; **or**
- TAE50211/ TAE50216 Diploma of Training Design and Development; **or**
- TAE40110 Certificate IV in Training & Assessment

### Assessment UoC (One of the following Units of Competency):

- TAEASS502A/TAEASS502B/TAEASS502 Design and develop assessment tools

### LLN UoC (One of the following Units of Competency):

- TAELLN401A/TAELLN411 Address adult language, literacy and numeracy skills

### Teacher Enhancement Skill Set:

TAESS00024 VET Delivered to School Students Teacher Enhancement Skill Set

- TAEPPD401 Work effectively in the VET Sector
- TAEDES411 Use nationally recognised training products to meet vocational training needs
- TAEASS412 Assess competence
- TAEDES412 Design and develop plans for vocational training
- TAEASS413 Participate in assessment validation

### Assessor Skill Sets

TAESS00001 Assessor Skill Set

- TAEASS403B Participate in assessment validation
- TAEASS402B Assess competence
- TAEASS401B Plan assessment activities and processes

**or**

TAESS00011 Assessor Skill Set

- TAEASS403 Participate in assessment validation
- TAEASS402 Assess competence
- TAEASS401 Plan assessment activities and processes
- TAEASS502 Design and develop assessment tools

**or**

TAESS00019 Assessor Skill Set

- TAEDES411 Use nationally recognised training products to meet vocational training needs
- TAEASS412 Assess competence
- TAEASS413 Participate in assessment validation
