- 12:29:37 From Chris Grierson :
Is there the capability for RTOs to include short micro credentials comprising of 2-3 units as opposed to a full qualification?
- 12:34:06 From Rhonda Scullen :
Do you have a QCAA Checklist for a New RTO Manager against the Standards & policy & produces for both internal & external audit.

- 12:36:54 From Chris Grierson :
If an RTO intends to only deliver specific competencies from a qualification in order to provide a short micro-credential, i.e. 4 units for a Barista skill set from the Certificate III in Hospitality, does this reflect negatively on the RTO if they have a high number of qualifications that are not completed?
- 12:42:43 From Chris Grierson :
Do you need a TAS for the whole course?
- 12:43:41 From Catherine :
Can you send the link for a QCAA template to use for a validation meeting?
- 12:44:29 From Domini Roblin :
If you only want to offer a micro credential, you have to have the whole course approved?
- 12:46:19 From Catherine :
Thanks. On the portal it takes you back to the website link, and we can't seem to see the validation template listed there. If you could share here, that would be fantastic!
- 12:48:15 From Kirsty Trezise :
Do we get informed of our 'risk' status? Or only by means of Audit Notification?
- 12:51:56 From Kirsty Trezise :
Yes thank you :) I wasn't sure if this was also done in the interim.
