

ARE YOU A PRE-ACCREDITED PRACTITIONER IN A LEARN LOCAL PROVIDER?

Did you know the ACFE Board has approved **FREE** professional development in instructional design for pre-accredited LNE programs?

Do you need some support in developing materials for pre-accredited adult learners who have low literacy, numeracy and employability skills?

Velg Training is proud to be working with the ACFEB and the Department to provide a unique, completely tailored, and completely **FREE** professional development opportunity just for you.

BEGINNER

If you are a teacher/tutor who has not participated in moderation or curriculum review processes with very limited experience in creating or updating Employability Skills learning resources and do not have formal training in instructional design – we've got the program for you!

NB: Recommended pre-requisite is the *Getting Started* program

3 x 90 min sessions via Zoom

DESIGNING & DEVELOPING EMPLOYABILITY SKILLS LEARNING RESOURCES

Overview: This program (three sessions over three weeks) is designed to follow on from the **Getting Started** session to develop your ability to apply principles of good instructional design to create appealing Employability Skills resources that address specific learning objectives.

Session 1:

- Instructional design principles for learning resource design
- Analysing Employability Skills requirements
- Strategies for designing L&N resources

Session 2:

- Sharing of designs and resources
- Learning resources (tools, naming, copyright)
- Using benchmarks to identify quality instructional design

Session 3:

- Reflecting on the design & development process
- Identifying next resources for design and development
- Strategies for sustaining the momentum

Participants must also undertake post session activities to put into practice their learnings
