

Your PD Challenge Week #2

A personal challenge in these challenging times...

We want you to feel **Educated**, **Inspired** and **Empowered** and simply, we want to challenge you. Over the next four weeks, we are going to take you on a professional development journey.

This week we are focussing on **Industry Engagement**. Don't forget to add the PD you complete to your Trainer and Assessor Profile.

We would love to follow your journey, share your knowledge, industry insight or 'aha!' moments via social media with the hashtag **#VelgChallenge**.

PD Challenge Calendar

Week #2

Your Velg Training Membership includes a vast array of relevant and meaningful resources that are completely **free**. Therefore, this PD Challenge will be a personal commitment to take some time to explore the vast array of resources you have available at your fingertips. We will be publishing a new topic each week for you to dive into. This week we are focussing on **Industry Engagement**.

HOW TO USE THIS CALENDAR...

We have linked Monday – Thursday to the relevant activity for your added convenience.

1. Ensure you are logged into your Velg Training account
2. Click on the day you want to focus on, you will be taken directly to the resource
3. Print this resource out! Take notes, jot down ideas, keep it for later reference - whatever works for you.

	Monday	Tuesday	Wednesday	Thursday	Friday
	Standards at a Glance	Knowledge Hub	VelgCast or Template	Webinar	Reflect

KEY POINTS

-

NOTES

REFLECT

Do you believe this template would be useful to track industry engagement? Why/why not?

NOTES / Thursday Week #2

Webinar

Watch the webinar: 'Industry Engagement: Informing vs Validating'

KEY POINTS

-

NOTES

REFLECT

What is the key difference between informing and validating? And how does this relate to your RTOs industry relevance?

WEEK #2 REFLECTION

Industry Engagement

The opportunity to reflect on our experiences is vital to the learning process. We want to encourage you to take charge of your own learning by sharing your accomplishments, struggles, or even moments of confusion.

Becoming aware of your newfound skills, whether it be a more refined understanding or perhaps an 'aha!' moment can help facilitate a deeper application of your learning. **This should take no more than 10 minutes.**
